WELLNESS

**Why can't we stop
people getting sick in the
first place?**

The Elephant in the Room

A collection of essays, ideas,
questions and research from
around the world, creating a debate
to reshape the public's health
into
population wellness.

Roy Lilley & Ed Smith

There has never been a time when talent so needed to shine, ideas have needed to be brighter and people have had every reason to dazzle.

**It's OK to
be proud
of what
you do!**
